Sponsors: The Sustainable Energy Coalition is a coalition of 60 national and state business, environmental, consumer, and energy policy organizations which collectively represent several thousand companies, municipal utilities, and community groups. Founded in 1992, the Sustainable Energy Coalition works to promote renewable energy and energy efficient technologies. Co-sponsoring this program is the House Renewable Energy and Energy Efficiency Caucus which is comprised of 221 members of the U.S. House of Representatives and co-chaired by Reps. Mark Udall (D-CO) and Zack Wamp (R-TN).

This forum is open to the public and no reservations are required. For more information please contact Ken Bossong, Coordinator, Sustainable Energy Coalition, (202) 293-2898, ext. 201.
