

Apsaalooke Nation, Montana

Plenty Doors Community Development Corporation

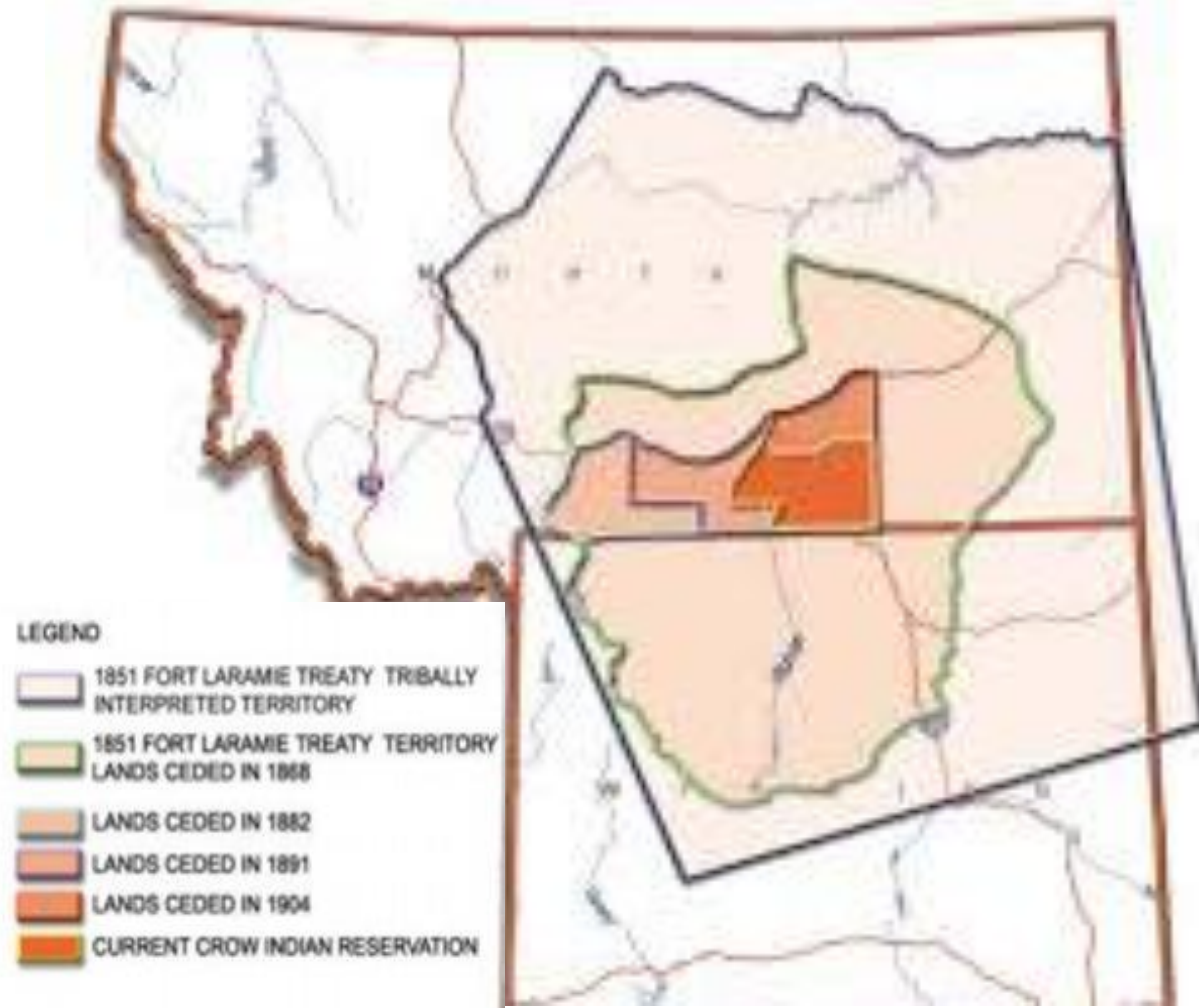

September 16, 2020

Impacts of Coal and Workforce Development

Introduction:

- Apsaalooke Nation
- Plenty Doors CDC
- Economy based on selling of assets
- Need to diversify economy and move beyond extractive industries
- Investing in people through education is one way we can help ourselves.

Apsaalooke Country

Workforce Training Program

What needs to happen?

- Invest in our future – education system like Tribal Colleges
 - Create community jobs and has allowed Apsaalooke people to invest in education.
- Sustainable revenue for Tribal College
- Recognize the role of nonprofits in working with our Tribal government to identify solutions.
