

Briefing Notice

*The Business Council for Sustainable Energy and the Environmental and Energy Study Institute
invite you to attend a lunch briefing on the*

2018 Sustainable Energy in America Factbook

Friday, March 9, 2018

12 PM – 2 PM

Lunch will be served

Room 2168 (Gold Room) Rayburn House Office Building

Please RSVP to expedite check-in: www.eesi.org/030918rsvp

Live webcast (connection permitting) will be streamed at: www.eesi.org/livecast

Hosted in coordination with the House and Senate Renewable Energy & Energy Efficiency Caucuses

Join a panel of executives from BCSE member companies and analysts from Bloomberg New Energy Finance to find out answers to these questions and more:

- What is the cost of energy for consumers and businesses, and how has this evolved?
- Which energy technologies are the most competitive?
- Are the recent changes in the U.S. energy mix structural, or temporary?
- How is energy efficiency impacting U.S. economic competitiveness?
- How are utilities and other companies investing in the future of America's energy infrastructure?
- How does the United States rank globally in terms of clean energy investment?

This event is free and open to the public.

For more information, contact Amaury Laporte at alaporte@eesi.org or (202) 662-1884.

About the Factbook Partners

Bloomberg
NEW ENERGY FINANCE

Bloomberg New Energy Finance (BNEF) provides unique analysis, tools & data for decision-makers driving change in the energy system. With unrivaled depth and breadth, BNEF helps clients stay on top of developments across the energy spectrum from its comprehensive web-based platform.

 **The Business Council
for Sustainable
Energy®**

Business Council for Sustainable Energy (BCSE) is a coalition of companies & trade associations from the energy efficiency, natural gas & renewable energy sectors. Since 1992, the Council has been a leading industry voice advocating for policies at the state, national & international levels that increase the use of commercially-available clean energy technologies, products & services.
