How Businesses, Cities, and States Are Leading Climate Action Efforts

October 12, 2018

@EESIOnline @BCSECleanEnergy #EESItalk

EESI

Environmental and
Energy Study Institute

- Founded in **1984** by a **bipartisan** Congressional caucus.
- Now an **independent**, bipartisan **nonprofit** with no Congressional funding.
- We provide **fact-based information** on **energy** and **environmental** policy for Congress and other policymakers.
- We focus on **win-win solutions** to make our energy, buildings, and transportation sectors **sustainable**.

Visit www.eesi.org to:

- Subscribe to our weekly newsletters, ***Climate Change News*** and ***Sustainable Bioenergy, Farms, and Forests***.
- View **videos** of our Congressional briefings.
- Sign up to receive our **briefing notices** and **fact sheets**.

About the BCSE

Mission:

To advocate for policies that promote clean, efficient, and sustainable energy products, technologies and services.

Global Climate Action Summit:

www.bcse.org/gcas

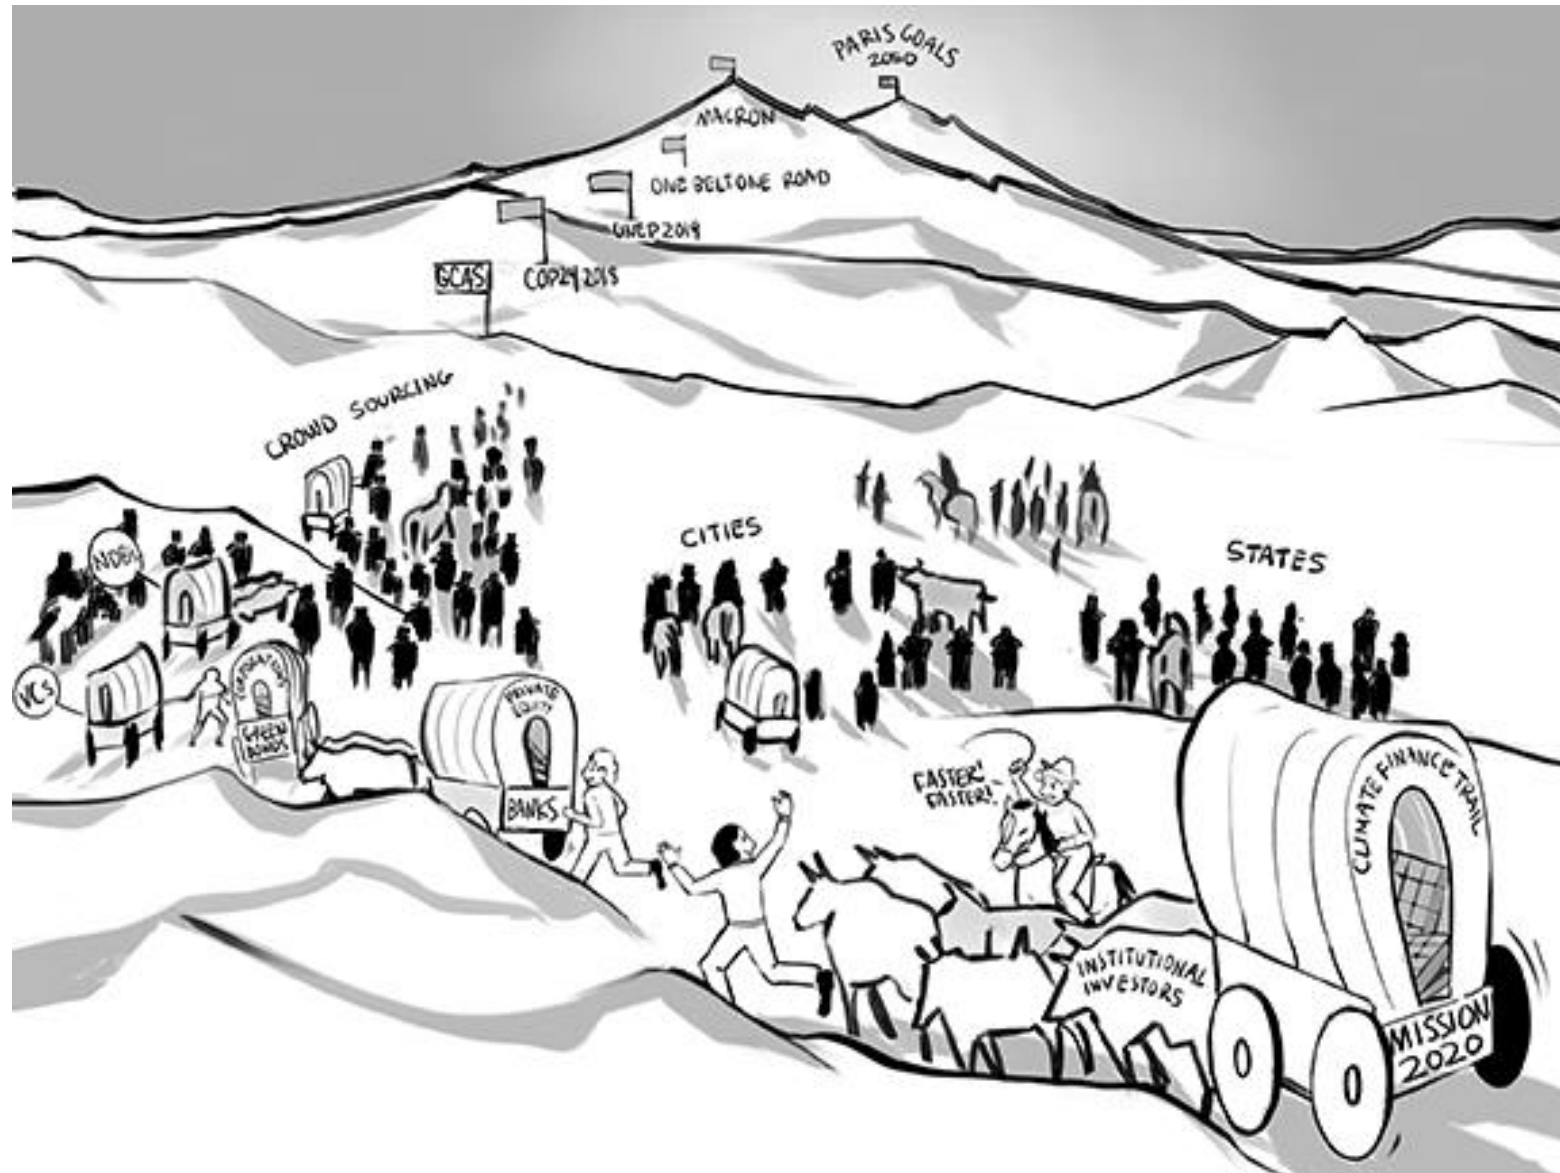

Dan Carol
