

Rapid Readout

The Future of FEMA

Thursday, October 30, 2025 • 12:00 (Noon) - 12:30 PM EDT

Online only • Please RSVP @ eesi.org/103025fema

Live webcast will be streamed at eesi.org/livecast

The **Environmental and Energy Study Institute (EESI)** invites you to a Rapid Readout about the status of reform efforts for the Federal Emergency Management Agency (FEMA). The Trump Administration and Congress are considering changes to pre-disaster preparedness, disaster response, and post-disaster recovery. This readout will provide background on why FEMA reforms are on the table, unpack how communities could be affected, and outline the most prominent proposal, the bipartisan Fixing Emergency Management for Americans Act of 2025 ([H.R.4669](#)). It will also describe what has happened to date with the **FEMA Review Council**, established by **Executive Order 14180** in January 2025.

The speakers for this session is:

► **Joel Scata**, Senior Attorney, Environmental Health, Natural Resources Defense Council

This event is free and open to the public.
