

Eric Belair

**Director General of the Energy Policy and International Affairs Branch (EPIB)
Natural Resources Canada, Government of Canada**

Eric Bélair is the director general of energy policy and international affairs at the Government of Canada's Department of Natural Resources. Prior to joining the Department in January 2020, Mr. Bélair worked in the Privy Council Office, which is the Prime Minister's department, on climate change and energy-related files. He also worked for many years at the Treasury Board Secretariat, as well as at the Department of Health.
