

Congressional Round-Up

March 30 - April 3, 2026

Every week, the Environmental and Energy Study Institute publishes a legislative tracker of environment- and energy-related bills introduced, advanced, and passed by Congress, as well as relevant committee hearings. This document was put together with information from congress.gov, press releases from congressional offices, and news stories. (Note that we may have inadvertently missed a bill or hearing.)

Highlights:

Congress has been on spring recess since March 30. Check back [next week](#) for key legislative environment and energy solutions advancing through Congress!

April 3, 2026

The House and Senate did not meet today.

April 2, 2026
