VIA Sets 'Safe Capacity' Limits on Buses Starting Wednesday...
VIA’s Commitment to Sustainability

- New Renewable Natural Gas Partnership
- Compressed Natural Gas
- Solar Powered Shelter Lighting
- Electric Buses
- Permanent Pollution Prevention Plan
- Water
- Waste
- Recycling
Compressed Natural Gas
“This is a natural next step in our continued partnership with CPS Energy to provide a cleaner, ‘greener’ future through the use of renewable energy,” VIA President/CEO Jeffrey C. Arndt said. “Incorporating RNG fuel technology is part of VIA’s ongoing commitment to offer sustainable transit options that keep San Antonio moving.”
