

The Reconciliation Process: Where Are We?

Items to Watch

- What's already been released:
 - Pause enforcement of methane tax
 - Rescission of various IRA programs (GGRF, etc.)
 - Repeal tailpipe emissions rule for light- and medium-duty vehicles
 - Opt-in fee for expedited review under NEPA
- Clean energy credits:
 - Slower phaseout?
 - Alter different treatment for different forms of energy
- Registration fee for EVs/hybrids
- Foreign Entities of Concern provisions
- Public lands sales
