# McCain-Lieberman Climate Stewardship Act

➤ **CAPTAIN CLIMATE ASKED  
“WHAT’S YOUR PLAN?”**

---

# Civil Society Cooperation is Critical

From governments to Civil Society cooperation is critical to achieving effective governance that can help US move towards a more sustainable future

- **Conducting scientific analysis and communicating research implications;**
  - **Agenda- and norm-setting, policy input and direct advocacy;**
  - **Direct pressure, including moral force, the granting of legitimacy, and mobilization;**
  - **Cultivating coalitions, including with states, international organizations and other non-state actors; and**
  - **Narrative-shaping, including through the media and the public.**
